Christian, Hall, Fredbeck Win in Primary Election

Defeat of Pregenzers as Local Committeeman by Wolff Is An Upset

Antioch township gave its proportionate share to the winners in Tuesday's primary election in which the Republican party provided the contests.

With no contest at the head of the state ticket, the county races were the only ones that brought out the voters and interest centered in the races for sheriff, state's attorney, and recorder.

Stanley M. Christian was nominated for sheriff on the Republican ticket by a 4 to 1 vote over his nearest competitor Edward M. Tornquist. The vote for the five candidates in the county was Christian, 14,153; Tornquist 3,418; Lester Talcott, 1,227; and Francis B. Kennedy 2,881.

In this race Antioch No. 1 precinct gave Christian 473, Tornquist 39, Talcott 10, Rouse 37, and Kennedy 71.

No. 2 precinct gave Christian 217, Tornquist 44, Talcott 13, Rouse 20, and Kennedy 45. No. 3 precinct vote was Christian 89, Tornquist 7, Talcott 2, Rouse 2, Kennedy 11.

Harry Hall, incumbent, was nominated for state's attorney. The county vote was Hall 8,577, Robert C. Nelson 4,691, Charles E. Mason 5,720, and Frank Pat Daly 4,571.

Antioch No. 1 gave Hall 408, Nelson 101, Mason 67, and Daly 42.

Antioch No. 2 gave Hall 139, Nelson 81, Mason 75, Daly 43.

Antioch No. 3 precinct followed suit giving Hall 85, Nelson 10, Mason 5 and Daly 6.

The county gave Gustaf Fredbeck the nod over William D. Whyte, 12,315 to 9,486.

Antioch 1 gave Fredbeck 346 and Whyte 167, while No. 2 gave Fredbeck 200 and Whyte 90.

Antioch 3 was one of the few precincts in western Lake County where Whyte ran ahead of Fredbeck. The vote was Fredbeck 39, Whyte 50.

Antioch township went along with the senatorial district in casting a decisive vote for C. Wayland Brooks over William J. Baker. The same was true in the vote for congressmen where Ralph Church won over John Nuveen, Jr., second man, and Stephen Day and R. L. Whitehouse.

Robert E. Wood was the district's choice for delegate to the national convention, but this township favored William N. Erickson and placed Wood third under James H. Douglas.

Antioch also agreed with the district in naming William M. Marks as committeeman over Augustus Knight, Jr., and Senator Ray Padock to succeed himself over Albert E. Nordstrom.

The vote of the township for representative to the general assembly followed the pattern of the county, giving Nick Keller first consideration for another term, and Harvey Pearson, second, with the late Harold D. Kelsey, third; and Adolph Gerlich last. Boone and McHenry counties favored Kelsey as a means of gaining an appointment from their area, but the shore area offset their vote in favor of Pearson.

Joseph N. Sikes was the Antioch choice for senatorial committeeman over Harry Earhart and Harry P. Breger.

L. J. Wilmut was unopposed for clerk of the circuit court and Garfield R. Leaf for coroner, and Robert J. Pearsall for auditor likewise had no opposition.

Only about 40 votes were cast in No. 1 and No. 2 precincts in the Democratic primary which saw Charles J. Cernak, Jr., of this village unopposed for clerk of the circuit court and as precinct committeeman.

Wolff Wins Committee Post

By polling 301 of the 686 Republican ballots cast in Tuesday's election, Jack Wolff was elected precinct committeeman for Antioch precinct one. Wolff's total exceeded that of Lewis Pregenzers, incumbent by 49 votes, Pregenzers having polled 252. Other candidates for the committeeship included John Russo, who turned in a creditable 107 votes, considering the fact that he is not as well-known as the other candidates, and Willis Shannon, who had retired from the race too late to have his name removed from the ballot.

Laurel D. Powles was elected precinct committeeman in Antioch precinct two by 281 of the 355 Republican ballots cast. Powles was unopposed.

Grant-Antioch Schools Meet in Track Tuesday; Palatine Twice Winner

For the second time this year Antioch High and Grant High will compete in track when they meet on Tuesday afternoon.

In the first meet in which Warren High formed the triangle, Antioch won by a close score. Without Warren as a threat and with Grant growing ever stronger in the dashes, the contest will be exceedingly close.

Antioch will take part in the Palatine relay on the following Saturday. Winner of the Class B division last year, the Sequoits may not be so fortunate this year.

Palatine won the triangle meet with Antioch and Barrington there last Friday. The score was Palatine 69, Antioch 46, and Barrington 25. Palatine was strong in the dashes.

For Antioch, January was first in the mile; Mattson took the broad jump and high hurdles; Miller won the 440 yd. dash; and Kraft, the pole vault.

There is a possibility that Grant may cut Palatine down in the relays so that Antioch again can win, but this is a mere possibility. Both Grant and Palatine are strong in the dashes.

Palatine freshmen and sophomores won from the Antioch underclassmen here last evening. The Palatine team was well balanced and made a good showing. The score was Palatine 63½, Antioch 34½.

Coach Paynic said his team lacked strength in the dashes, but took first in the high hurdles and low hurdles, first in the high jump and discus throw. The visitors ran the 440 relay in 48.5 seconds.

Conference Music Festival Will Be Held at Wauconda

Plans for the annual Northwest Conference music festival were made at a meeting of school officials of the conference at a meeting held last night at Bensenville.

T. R. Birkhead of Antioch township high school attended the meeting as a member of the committee and he reports that the date for the festival has been set for Monday, May 3, and that the festival will be held in Wauconda as in past years.

Mr. H. E. Nutt, of Vandercook school of music, Chicago, will act as guest conductor of the combined orchestras and bands of the member schools of the conference as well as the glee clubs and chorus groups.

A combined practice session for those students who will take part will be held on Sunday afternoon, May 2, at Wauconda high school.

District Director to Be Guest During Pan-American Program of Local Auxiliary

Mrs. Alma Callanan, director of the Tenth District American Legion auxiliary, will be guest of the Antioch unit No. 748 at the next meeting Friday, Apr. 23.

The occasion will be the presentation of the Pan-American program in which Mrs. William Petty will speak on Argentina. Mrs. Petty is chairman of the Pan-American department. There will be special music.

Mrs. Carolyn Horan, secretary of the Antioch unit, and alternate director of the district, will be a guest.

President G. B. Bartlett Presented Badge of Office

At the recent meeting of the village board, trustees presented to President George B. Bartlett a president's badge of office. It is a gold badge with the word "president" in large letters.

At the same meeting a letter from Principal Richard Whitacre to the board thanked the village for the police protection given the school children against traffic hazards.

Arthur Gardiner was successful in precinct 3 by polling 60 votes to 50 for his opponent, Wm. H. Herbert.

On the Democratic ballots Chas. Cernak, Jr., was unopposed in precinct two as was Vernon Rogers in precinct one.

V.F.W. Post, Auxiliary Hold Joint Installation, District Officers Preside

Post to Have Dance to Buy Uniforms for Baseball Team in League

Joint installation of officers was held by the Veterans of Foreign Wars and its auxiliary unit Saturday at Guild hall with the fifth district commander, Joseph Jelly, Bensenville, serving as installing officer for the post, and Marie Ambrose, Joliet, district president, and her color team installing the auxiliary.

Herman Meinersmann is the new commander of the post succeeding Robert Strang, Richard Burnette is senior vice commander; Tony Sciacero, junior vice commander; Warren Edwards, quartermaster; and Ernest Westlund, adjutant.

The Rev. E. William Strauser is chaplain and Dr. Zimmerman service officer.

Mrs. Ambrose installed Mrs. Olive Hallwas president; Myra Randall, senior vice president; Jane Verkest, junior vice president; Lydia Edwards, secretary; Ellen Flint, treasurer; Nellie Hanke, chaplain; Lois Peterson, conductress; Margaret Morris, guard; Bertha Burnette, Mary Chapman and Ethel Zimmerman, trustees.

The installation was public and approximately 125 persons were present. The members of the auxiliary all had beautiful corsages and the tables were decorated with bouquets of jonquils. Refreshments were served after the installation.

Out of town guests were Past Cmr. William Mihall, Dist. Deputy Joseph Wukovich, Quartermaster Frank Hess and Sgt. Stanley Ostrowski, all of North Chicago.

A V. F. W. dance was announced for May 1 at the Lake Villa village hall from which receipts will be used to finance a ball team in the purchase of uniforms.

J. Crandall is the manager of the team which started practice Sunday. Fifteen candidates showed up. The team will not be limited to members of the post.

Efforts will be made to organize a league. Two games already are scheduled.

Clean Up and Prevent Fires Says Farm Adviser

Spring Housecleaning doesn't mean only cleaning up and redecorating the house. While there is much that can and should be done to clean up the premises about the house, there is also much that should be done to clean up the farmyard, observes Farm Adviser Ray T. Nicholas.

"If every farm family would conduct a spring clean-up campaign—inside and out—it would go a long way toward eliminating fire and accident hazards, providing a more healthful environment and conserving food that is much needed the world over," the adviser said.

"Among farm families along about 3,500 lives are lost and 100 million dollars worth of farm property is destroyed each year by fires. In other words, about 10 farm people die every day in farm fires. Four farm buildings are destroyed by fire every hour. About 90 percent of our farm fires are caused by carelessness. And carelessness means leaving debris and trash around to create a fire hazard.

Mr. Nicholas said that a general clean-up would also help to get rid of rats where they are a nuisance. Much grain could be saved if rats could be controlled. These pests destroy or damage 200 million bushels of grain each year. If all of this grain were wheat, it would be enough to supply one pound of bread to 36 million people every day for a year. One rat will destroy \$20 worth of food, feed and property a year.

"Spring clean-up paves the way for better living by providing more healthful conditions, conserves food and other resources by eliminating fire hazards and rat 'hotels,' and prevents accidents by taking care of necessary repairs."

Sixty Present at Lions Club Ladies Night at Canelakes

Thirty members of the Lions club of Antioch and their ladies were present at a Springtime dinner-dance held at Canelakes Island, Route 41, near Waukegan, on Monday evening.

Music for the dancing was furnished by Johnny Kane and his music.

Sixty Present at Boy Scout Project Night Wednesday

Sixty members of Boy scout troop 91 and their guests were present at a project night held last evening at the Legion home. Purpose of the event was to acquaint the mothers and fathers of the boys with the work being done in metal work, handicraft and model airplane building. Six prizes were awarded for the best displays with the prizes going to Fred Zeien, first; Richard Haack, second and George Nelson, third. These three boys will receive an airplane ride as their prizes. Other prizes will be awarded to George Sevenses, Jack Nelson and Dennis Kennedy.

The Project night also served as a preview of the display to be put on by the local boys at the District Scout fair which will take place at Libertyville on Saturday, May 1. Troop 91 will maintain displays in the three fields mentioned above at the fair.

Board To Act On Daylight Saving Time This Evening

Antioch Village fathers will convene this evening in a special session, and one of the matters to be taken up will be whether or not residents of the village will set their clocks ahead on April 25 in conformity with Waukegan and Chicago. Chicago now has a permanent ordinance which automatically provides for daylight saving time to begin on the fourth Sunday in April, and Waukegan has indicated that they will change the clock hands also on this date. President George B. Bartlett said that while he was not certain of the action which will be taken by the board tonight he felt reasonably certain that Antioch would conform as it has in past years.

170 Vote in High School Election; 151 at Grade Schl.

Although there was no contest in the High school election Saturday, 170 ballots were cast in a vote of confidence for the two candidates for places on the board. Fred Scott who was up for re-election polled 166 votes as did Dr. David N. Deering, who was running to replace Ernest Glenn, who had previously served for six years. The other four ballots were spoiled, and no write-ins were found when the ballots were counted.

Lubkeman Winner at Grade School

In the Antioch consolidated school election, also held on Saturday, Arthur Lubkeman was successful in gaining the nod over F. A. Swenson for the presidency of the board by a count of 85 to 65. Harold Cardiff, running for re-election as a member of the board topped the balloting for this office by polling 104 votes. Chas. L. Wertz was also elected with 109 votes, and William Horton, Jr., the third candidate polled 50 votes.

Feyerabend Garage Is Under Construction, Establishes Front Line

Construction of the A. L. Feyerabend public garage building on Main st., south of the post office is in progress with completion expected about May 10.

A one-story building 50x125 feet in size, the front portion will be a show room encased in glass, glass brick and stainless steel of modern design. Eskstrand and Schaad, Waukegan, are the architects.

The building will be heated by bottled gas until the Public Service releases gas for heating purposes.

The structure will be used for garage purposes, but is constructed so that a second story can be added. In establishing the front line of the building Mr. Feyerabend has corrected the line so that it will parallel the street which is on an angle.

Had he continued the line as established by the Gamble store building, succeeding buildings would give the fronts the appearance of a saw-tooth edge.

The change from the course of the Gamble building will be little noticed because of the 12-foot alley between the two buildings.

Gustave O. Berg Dies April 10th

Gustave Omar Berg, formerly of 1413 North LeClaire Ave., Chicago, passed away Saturday, April 10th, at the home of his daughter, Mrs. L. S. Korsen, of Indian Point, where he had made his home for the past four years.

Surviving are his three daughters Mrs. Hazel Korsen, of Antioch, Mrs. Mae Alles, North Hollywood, Calif., Mrs. Edith Swanson, of Long Lake. One son, Sidney, of Antioch and a host of friends.

He was a retired Western Electric employee.

Funeral services were held from the Melsznars Funeral home at 5624 Irving Park, Wednesday, April 14. Cornerstone Masonic Lodge A. F. & A. M. No. 875 of Chicago conducted funeral services. Burial was in Mt. Olive cemetery, Chicago.

Mrs. Mollie Somerville, Mr. and Mrs. Earl Somerville and Mrs. Birdella Schwery and Tom Webb visited at Moose Heart Sunday.

Chicago Butcher Is First Drowning Victim in County

Rescue Squad Recovers Body in Channel of Grass Lake-Marie

Francis J. Brown, 34, Chicago butcher, became the first victim from drowning in this area yesterday when he sank in the waters of the channel between Lake Marie and Grass lake, when his row boat capsized.

Herschel Short, 49, of 6500 Irving Park rd., a supervisor at the Dunning State hospital, and Joseph Payne, 6501 Irving Park rd., an engineer of the Chicago sanitary district, also in the boat were brought to shore by Wilbur Turner, who had been attracted by their shouts.

The Antioch rescue squad recovered the body of Brown a few minutes after they started grappling in the channel which is only about 50 feet wide and 10 feet deep. Members treated Short for shock.

Brown, who formerly resided at 3841 N. Neva St., Chicago, had operated the meat department of the Mars grocery nearby, is survived by the wife and two sons.

The survivors said they and Brown had been fishing and were on their way back to their hotel for the night when their boat struck an object which caused it to overturn.

Payne said he told Brown to hold onto the boat, but he said he would try to make it to the opposite bank. They were not certain whether he had reached the shore or not when the rescue squad arrived, and it was only after searchlights were thrown on the area that it was discovered that he was unsuccessful.

Short will be remembered as the person who escaped injury a few months ago when a drunken airplane pilot with which he flew crashed into a house about two miles from where last evening's drowning occurred.

Last evening's accident occurred at 6:30 and the body of Brown was recovered about an hour later.

Payne and Short spent the night at Ed Dressel's and Brown's body was taken to the Strang funeral home.

H. B. McDougall Dies in Chicago Hospital

Harry Brown McDougall, age sixty-seven years, a well known business man and one of the leading citizens of Wilmot, died at the Chicago Memorial hospital on Saturday evening following an illness of several weeks.

The deceased was born in Antioch township Nov. 14, 1880, the son of the late Mr. and Mrs. Alexander McDougall. He spent his early life in Antioch Township and received his education in the schools of Wilmot. On October 9, 1907, he was united in marriage to Miss Florence Runkel. As a young man he farmed for a number of years and in 1923 he moved to Wilmot and engaged in the hardware and implement business. He was a member of the Masonic Lodge at Wilmot, and at present was Worthy Patron of the Eastern Star Chapter No. 204 of Wilmot.

He is survived by his wife and by one son and two daughters; Lyle H. McDougall, of Wilmot, Mrs. Donald Herrick of Oak Park, and Mrs. Russell J. Elwood of Wilmot. He is also survived by five grandchildren and by one brother and one sister; Eugene J. McDougall of Antioch, and Mrs. Roy Bufton of Silver Lake, Wis.

Funeral services were held Tuesday, April 13, at 2:00 p. m., from the Wilmot Methodist church. Interment Wilmot Cemetery.

P.T.A. to See Movie, Hear Dr. Breakstone

The Grade School Parent Teacher association will see the motion picture film "Traitor Within" produced by the American Cancer society at its meeting 8 p. m. Monday evening.

Dr. I. L. Breakstone will be the speaker, explaining the picture and discussing cancer. A campaign to raise money for the research in the disease is now in progress.

The first grade mothers will be the hostesses for the occasion and serve refreshments.

Agriculture And The Railroads

A Chicago radio station recently carried a program of great interest to the farmer. It dealt with what the railroads are doing on behalf of agriculture, and was conducted in the form of an interview between Albert R. Beatty of the Association of American Railroads, and officers of a number of leading lines.

The farmer's primary interest is in getting his crop to market with a minimum of delay. Last year, our total crop production was only one per cent lower than the average for the five biggest years in history—1942-46. The wheat crop hit an all time record. Yet the railroads moved the mountains of crops with only minor delays, and these delays were at the harvest peak. Further, the few dislocations that did occur were primarily the result of inadequate storage facilities, and not from lack of cars.

That achievement is now history. The railroads have already taken steps to prepare for the 1948 harvest, and they are confident that they'll do an even better job this year than last.

The interest of the railroads in agriculture doesn't stop with selling space in boxcars. Most of the lines have Agricultural Departments. These departments cooperate with individual farmers, farm organizations, farm agents, etc., in order to develop natural resources, conserve soil and timber, and to help find better markets for agricultural products. It's a case where the farmers need the railroads, the railroads need the farmers, and cooperation is profitable for all.

The railroads opened up America's great agricultural belts years ago. And they are a big factor in the steady progress that is being made today.

Military Air Transport Vital

Time and distance have always been the bogiem of military supply lines. In the last war these two factors became more menacing as battles moved farther from production lines in the long push across the Pacific toward Japan. In many vital instances air transport successfully solved the problem of time and distance.

Shortly before the opening of a major engagement in the Pacific a destroyer burned out some boiler tubes. New tubes would not have arrived for weeks if surface transportation had been the only available mode of shipment. The Naval Air Transport Service flew the needed supplies 8,000 miles. Repairs were made in time for the destroyer to meet the flotilla rendezvous and take part in the action as scheduled.

Many thousands of similar vital deliveries have been made by the Air Transport Services of the Army and Navy. New parts flown to the scenes of far flung operations have enabled equipment to be put back into use weeks before surface supplies could have even been delivered. Everything from tiny radar parts to a giant battleship propeller has been delivered by air.

In any future war time and distance will be deciding factors. The rapid movement of men and supplies by air will be vital. There won't be time to build "airlines" like the Army and Navy did during the last war. The Military Air Transport Service must be increased in size and the efficiencies and economics inherited from its predecessors must be maintained, and improved on where possible.

Justified Public Confidence

The electric utility industry is now engaged in the greatest expansion program in its history—a program which is designed to increase its generating capacity by the tremendous margin of 35 per cent in the next four years. Much of the money needed will have to be raised by the issuance of securities and, when the program was first announced, some were skeptical as to investor willingness to buy.

However, a number of utility issues have been offered, and they have been quickly over-subscribed—even at times when other types of issues were difficult to move. The feeling of skepticism has changed to one of virtual certainty that the American people are eager to place part of their savings in the business-managed power companies.

The reasons for this display of public confidence aren't hard to find. First of all, the industry sells a service which is vital to the homes, farms and industries of America. Second, it has reached a remarkably high degree of managerial efficiency, and its securities are regarded as a conservative investment which will normally provide a reasonable return. Third, the record of the industry in aggressively dealing with extremely difficult problems, and in preventing serious power shortages in the face of all sorts of doleful predictions, has earned the respect and admiration of the American people.

Only one thing can stand in the way of utility progress in this country—progress that will, among other things, make central station service available to almost all American farms in the relatively near future—and that is political persecution whose objective is the destruction of free enterprise.

TIP as to what's TOPS

POLLS seem to be the thing these days — so why not make your own?

Just bend a private ear to what's being said all around you — and you'll get a dozen tips a day as to what's tops in cars this season.

"My dear," one gal tells another, "it's even smarter *inside*! Everybody says it's the best-looking car on the road, but just wait till you sit in it!"

"And it's so *easy* to drive! I never thought a big car..."

"I'm telling you, Jim," you'll hear a man say. "Get a car that's big enough!"

"There's just no substitute for enough roadweight—especially with that Buick power plant to give you the get-up-and-go you want."

"Listen!" says another. "Here's the first car where I've really been comfortable! We pack the whole crowd in—kids and all—and those big three-person seats give 'em all the wiggle-room they want—and still let me handle the wheel in comfort!"

Then you may overhear a very, very bubbly individual who's driving a Dynaflo* Buick.

"Nothing like it," he says. "Nothing like it ever before. Don't ask me how it works, I'm no engineer—but it's the silkiest, smoothest, slickest thing I ever laid hands on—and I've driven 'em all!"

"Why, I went up Ft. George hill the other day—slowed to a dead-stop halfway up—held 'er there—picked up—went over the

top accelerating—and never touched the control lever!"

"Never did anything but feed gas as I wanted it!"

And so it goes.

Power fans praising Fireball power. Comfort lovers going for Quadriflex coil springing and Safety-Ride rims. Folks who like quiet, singing paeans to Sound-Sorber top lining.

And everybody, yes everybody, agreeing there's only one true fashion plate—and you can spot it at a glance.

So why hold back? You'll never get to the top of a dealer's list that way! See that Buick dealer today—with or without a car to trade—and get your firm order in!

LAKE VILLA

Rev. Dwight Dixon has announced that the topic for next Sunday's sermon at the worship service of the Community church at 11 a. m. is "Out of Gas." You are very welcome.

The Methodist Youth Fellowship group held its regular meeting at the church last Sunday evening at 7:30. This includes all young people of high school age.

The Wesley Club of grade school pupils will have a "Hard Time" party at the church basement on Friday evening, April 16, at 7:30. A prize will be given for the "Hobo" King and Queen and there will be refreshments.

A Family Night pot luck supper will be held at the church basement on Friday evening, April 23, for the families of the community who are all invited. Coffee, bread and butter will be furnished and you may bring a dish of food for the supper. Mr. Valentine Sherring, of India, will be a guest and will tell of customs, habits, also troubles of his native land.

The Woman's Society of Christian Service will hold its next meeting at the church basement on Wednesday, April 21, dessert luncheon at 12:30 followed by business meeting at 2 p. m. Mrs. Mary Nelson and Mrs. Olga Fischer of East Shore Gardens are hostesses for the day and all ladies of the community are invited. The ladies have set the date of Wed., July 7, for the white elephant sale in connection with the annual summer sale, when they will have a nice variety of articles for your approval.

Mrs. Effie Kelly, of Racine, was the guest of Mr. and Mrs. Charles Kelly over Sunday.

Mr. and Mrs. Joe Sweeney, who spent the winter months in California, have returned to their home in Buena Park.

Mrs. Ethel Wood was hostess at a luncheon at the home of Mrs. Marie Hamlin for the ladies of the Sewing club. Mrs. Hamlin's birthday anniversary was celebrated.

The Lake Villa "Springtime Follies" sponsored by the Lake Villa Community Men's Club last Friday and Saturday evenings went over very well with a packed house both evenings. The various acts of enter-

tainment were all well done and the club is to be congratulated. The Club held its monthly dinner on Tuesday evening this week, with the serving of a roast beef dinner served by the ladies of W. S. C. S. assisted by the Halcyon club. Pictures of the recent Wolcott-Louis fight were shown.

Mr. and Mrs. R. L. Gunnarson, of Venetian Gardens visited relatives at Plymouth, Wis., last week.

Mr. Henry O. Holman, who formerly lived on Oak Knoll Drive passed away last Thursday at the home of his sister in Jacksonville Beach, Fla., where he had spent the winter. He was in his late seventies and had lived there a number of years, coming here from Chicago. Mrs. Holman passed away a few years ago. Besides his sister in Florida, he leaves a stepson, Edward Wagner, who occupies the home on Oak Knoll Drive.

Mrs. Elizabeth Griffith, Mrs. Mabel Holst and Mrs. Bessie Grimes, all of Chicago, spent a few days last week at the Dan Boyer home and attended the W. S. C. S. meeting at the church last Wednesday. Mrs. Virginia Smith, who has been confined to her home by illness for some time, is able to be out again.

Mrs. Anna Nader went last Wednesday evening by train to Chippewa Falls, Wis., to be with her daughter, Mrs. Anna Almquist, and family for a time while Mrs. Almquist is away for treatment for arthritis.

Miss Rosemary Slazes, a student nurse at St. Therese hospital spent Saturday afternoon and Sunday with her parents, Mr. and Mrs. Frank Slazes, and a classmate, Miss Shirley Lips, whose home is in Kenilworth, was her guest. They returned to their duties Sunday evening.

The Lake Villa P. T. A. will meet next Monday evening, April 19, at the school for the annual election of officers. Following the meeting the fathers and sons will compete in a basketball game. Committee on refreshments are Mrs. Tom Mahoney, Mrs. Docima, Mrs. Leonard Armstrong and Mrs. Keigan.

B. J. Hooper was elected president of the school board at the election last Saturday and Olive C. Martin and R. Havin were elected as trustees.

Mrs. Stella Pedersen went to Chicago on Tuesday to attend the funeral of a nephew. She returned Thursday evening.

Mr. Jack Robinson, of Montello, Wis., was a guest of Rev. and Mrs. Dixon at the parsonage over Saturday and Sunday.

Windbreaks
An average farmstead windbreak costs only \$2 to \$3 for trees, plus three days' work, and occupies less than 1 per cent of the land of the average farm.

Advance-Design Trucks

are the only trucks with all these extra-value features of production leadership . . .

THE CAB THAT "BREATHES"

Only Advance-Design trucks have the cab that "breathes"! Fresh air—heated in cold weather—is drawn in and used air forced out.*

FLEXI-MOUNTED CAB

Chevrolet's Advance-Design cab is mounted on rubber, cushioned against road shocks, torsion and vibration!

. . . including these great new HEAVY-DUTY features that only Advance-Design trucks offer:

Entirely new, Chevrolet-developed helical gear 4-SPEED SYNCHRO-MESH TRANSMISSIONS provide quicker, easier, quieter operation and greater durability in heavy-duty models. "Double clutching" and gear "clashing" are virtually eliminated. Faster shifting promotes greater road safety and the maintenance of speed and momentum on grades!

Chevrolet's new SPLINED REAR AXLE SHAFT ATTACHMENT to wheel hubs eliminates breakage and loosening possible with bolt-type attachments—assures greater strength and durability in heavy-hauling!

• Advance-Design truck bodies and cabs are Uni-Built—Chevrolet engineered and produced in the world's largest exclusive commercial body plant—to achieve maximum uniformity, durability and economy. . . . Other features in this Advance-Design line of 107 models on 8 wheelbases are: All-round cab visibility with rear-corner windows* • Uniweld, all-steel cab construction • Super-strength frames • Specially-designed brakes • Hydovac power brakes • Heavier, more durable springs • Ball-bearing steering • Wide base wheels • Standard cab-to-axle length dimensions • 12-color and two-tone options available.

*Fresh air heating and ventilating system and rear-corner windows optional at extra cost.

Mr. and Mrs. Harry Davis

Kathleen Kufalk, daughter of Mr. and Mrs. E. W. Kufalk, celebrated her sixth birthday anniversary with a party for eight of her little friends at her home Monday. Kathleen also celebrated with her teacher, Mrs. Robert Wilton and her kindergarten friends at school.

SENIOR MYF DONUT AND FUDGE SALE

The Senior Youth Fellowship of the Methodist Church will hold a Donut, Fudge and Bake sale at the Antioch Packing house beginning at 9 o'clock on Saturday morning. The young people plan to raise money for the support of their newly "adopted" overseas family. The Youth Fellowship adopted a family of six who had been driven from eastern Germany with only a few short hours notice and who are now living in Berlin. The head of the household, Dr. Arist Stender formerly studied in Chicago under the Rockefeller Foundation. Due to malnutrition two of the children have contracted tuberculosis and the family have been in desperate circumstances. A recent letter told of the family's receiving packages from Antioch, and also revealed that Dr. Stender, who is a brain surgeon, recalled having passed through Antioch when he was studying in Chicago.

A group of women from the church who are assisting the young people in their sale, and persons desiring to give fudge or bakery goods are asked to call 181-M. Arrangements will be made for the pick up of donated articles.

The Senior Youth Fellowship will conclude its series of two meetings on the New Testament this Sunday evening when Miss Alice Smith again speaks to the group. Last Sunday Miss Smith led the discussion on the subject of the books of the Bible and something about the Holy Land setting in which they were written. The Senior MYF meets each Sunday at 6 o'clock, and all high school youth are invited.

LAKE REGION HOME BUREAU DINNER, SUNDAY

Members of the Lake Region Home Bureau entertained their husbands at a dinner at Our Country Club Sunday, April 11, at 7 o'clock. Mrs. Fred Oschmann is general chairman of arrangements.

Mrs. Fred Oschmann, secretary of the executive board of Lake County Home Bureau and Mrs. Lester Osmond, health and safety chairman, attended a meeting of the board in Grayslake Monday.

Mr. and Mrs. H. W. Bothe and baby son, Harry, of Carthage, spent the weekend with Mrs. Bothe's parents, Mr. and Mrs. Irving Elms. Mr. Bothe returned home Sunday and Mrs. Bothe and son remained for a weeks visit.

Mr. and Mrs. W. H. Gifford returned home recently after spending the winter in Florida.

Mr. and Mrs. Henry Mau had as guests last week Rose King and Dorothy Danenberg, of Forest Park. Mr. and Mrs. Will Roepke, of Kenosha, Mr. and Mrs. George Hildebrand, of Bassett, and Anna Paasch of Antioch.

A. L. Johnson, of Indian Point, who has spent the three months in Tucson, Arizona, is visiting friends in Los Angeles and San Francisco, he plans to visit his son Allen (Bud) Johnson at Antioch, Calif. On leaving California he expects to visit his daughter, Mrs. Walter Gibling, and family at Gering, Neb., before returning home sometime in May.

Will Sing Over Radio

Roberta Jean Funk, 6, daughter of Mr. and Mrs. Robert Funk of Petite Lake Park, Lake Villa, Ill., will be a contestant on the all-children broadcast on the Morris B. Sachs Amateur Hour Sunday, April 18, at 12:30 p. m. over stations WENR and WCFL, Chicago. She will sing "I'm Full of Fun and Fancy Free." Roberta is a student at The Majorie Young school of Antioch.

THANKS

To all my friends for their generous support in the election Tuesday, April 13th. It was greatly appreciated. Congratulations to the Winner.

Antioch 4-H Club No. 1 To Organize Monday

The first 4-H meeting of the year will be held in the Agriculture Room of the Antioch Township High School on Monday evening at 7:45. This meeting is for the Antioch Unit No. 1 and includes those boys and girls in the agricultural clubs in and around Antioch and south to include those from around Lake Villa and Grass Lake. This unit will be under the leadership of Raymond Toft, who is a former member and now employed by the Lake County Farm Supply Co.

Other clubs in this section of the county are:—Antioch 4-H club No. 2 lead by Mr. Fred Miller and takes in that section around Pikeville and the State Line Rd., and Newport. That club meets separately at the home of Mr. Miller. The Antioch 4-H club No. 3, lead by Mr. Arthur Myer takes in that section in and around Millburn, north along Rt. 45 and west to Bean Hill and Loon Lake area. They meet at the home of Mr. Myers.

The meeting Monday evening is

Legion Auxiliary Poppy Day Set For Saturday, May 29

Mrs. L. R. Van Patten, publicity chairman for the Antioch Post American Legion Auxiliary annual Poppy Day, said today that the annual poppy day, which provides funds and employment for disabled war veterans would be held in Antioch on Saturday, May 29, the Saturday preceding Memorial Day.

Mrs. Van Patten added that the Poppy had been adopted as the Memorial flower of the American Legion and Auxiliary, because of the fact that amidst the complete devastation of the fields in Flanders, the poppies bloomed during the spring of 1919. A replica of this flower has been used since that time in the organization's annual poppy day as a means of raising money for the rehabilitation work undertaken by the organization.

only for those who wish to belong to Unit No. 1. Members are urged to bring new or prospective members.

She added that all funds collected in this manner are used 100% for the work, and that manufacture of the flowers by disabled veterans provides employment for thousands of them. More than 125,000 members will work on Poppy day in the annual sale without compensation. This year's slogan for the sale is—"Wear a Poppy... America's Silent Tribute to her Heroes."

Servicenter and Antioch Boosters to Stage Grudge Match Saturday Night

The bowling fans of Antioch are offered a double-header attraction this weekend at the local alleys, with a double match on Saturday night, and a team match game Sunday night.

In a grudge match which has been promoted for the past month, the strong Servicenter team takes

on the powerful Antioch Boosters in what promises to be a knock-down drag-out battle.

If the teams needed an incentive to win in addition to a substantial side bet, it has been provided by Village Marshal Fred Peterson and John "Any Insurance Today" Miller in the form of flowers for the contestants—carnations for the winners and lilies for the losers.

Saturday's doubles match features Emil Hallwas and Ed Kania against Gerretson and Gerstein, of Ingleside in the windup of a home and home ten game series. The visitors gained an edge on their Ingleside alleys in the initial block of games, but Hallwas and Kania are confident of making up this deficit at Antioch.

Except for Hank Pape, who has been bothered with a sore arm, which may keep him out of the match, Servicenter is at full

strength, and will have the following lineup:

Don Bauer, Ed Carney, Ray Horan, Carl Gibson and Emil Hallwas.

The Antioch Boosters are expected to present a lineup composed of Ed Kania, George Miller, Ken Ashe, Bill Keulman and Roman Vos.

Festival A Success

A large crowd attended the Antioch Grade school festival at the high school auditorium last Friday evening. While the adults were being entertained by the children, the youngsters not performing were entertained in the gymnasium by movies.

Mr. and Mrs. Peter Braeckman, who have spent the winter in Melbourne, Fla., returned to their Petite Lake home last week.

This Month
in Your
Service BULLETIN

A gopher hole on the towpath could be an unlucky break for a horse.

Boats hauled grain below deck, lumber on deck, with cabin lifted up for passengers.

At some points (Ottawa was one), Canal banks were higher than village streets.

In our second story in honor of the Illinois and Michigan Canal's hundredth birthday, we tell how during the gala Opening Day, April 16, 1848, which was celebrated in every town along the waterway, a cannon "wad" collided with a certain Joliet citizen and the surprising result. We tell how the first days of the Canal were greeted with both optimism and pessimism and we quote Chicago newspapers of the time. To the Editor of the Chicago Daily Journal, a traveler ecstatically wrote about his passage through the "magnificent Canal" from LaSalle to Chicago. Some other passengers were not so ecstatic over Canal travel and published their grievances. We tell how romantic canalboat life seemed to the villagers who always gathered to wait the arrival of the packets and barges, and how it was that some townsfolk could sit on their porches to watch the boats go by overhead. We tell of the commerce carried on this once important waterway. Sketches are by John McKee.

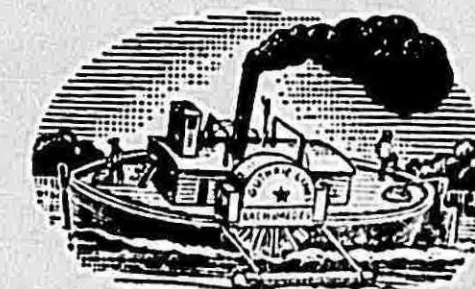

As Entertaining As Your Favorite Magazine
THE *Service* BULLETIN

Village boys on the Canal route tried to "hitch" rides on barges.

Many bridges were high enough to permit a man to stand on boat deck passing under.

The steam tug Archimedes (once used in building the Canal) towed packets.

How to Keep Sausage
Sausage can be kept in the freezer locker or home freezer for six months or longer provided it is completely seasoned, tightly wrapped and kept at zero temperature or lower.

Not Without Water!
Allowing birds to be without water, even for a few hours and especially in hot weather, is the most serious thing that can happen from the standpoint of growth, production and general health of flocks.
